## Visiting Campus...

If you have not already done so, a campus visit is a great way to find out more about a college! All colleges welcome prospective students to come see if their academic programs, campus, and community are a good fit for them. To schedule a campus visit, contact the college admissions office or visit their website to find out about campus visit options. It is best to schedule a campus visit on a weekday (during the school year if possible) to see what a typical day on campus is like. Bring in a letter from the admissions office to the HHS Main Office stating you were there on that day and we will excuse your absence for that day. **VIRTUAL TOURS are available on most college websites!**

## Letters of Recommendation...

Some colleges will require you to have one or more letters of recommendation as part of the application process. Therefore, you should start thinking about who you will ask to write a letter of recommendation for you. You should ask someone who knows you well (such as a teacher, coach, or club sponsor). You should provide the person writing the recommendation some information (such as a list of activities, sports, accomplishments, work experience, community involvement, etc. to assist them in writing the letter (*\*see reverse side\**). You can provide the person this information by giving them a copy of your resume or type a list using the questionnaire on the other side of this handout as a guideline. Make sure to give them at least two weeks notice to complete the letter for you.

## Scholarships...

Scholarship information can be found on our website at [www.hartlandhighschool.us](http://www.hartlandhighschool.us). Click on...

You may also want to have letters of recommendation for some scholarships. Follow the same guidelines as above.

## College Applications & Requesting Official Transcripts

1. Fill out college applications online by going directly to the college website
2. Request your transcript through Parchment by going to [www.parchment.com](http://www.parchment.com) or go to the HHS website at [www.hartlandhighschool.us](http://www.hartlandhighschool.us), click on "Counseling", then click on "Transcript Requests"
3. Register with Parchment by creating an account **\*NOTE\*** use your home/personal email address when setting up your account — do **NOT** use your school email address
4. Follow the steps to request a transcript
5. Transcripts requested while in high school are FREE. **\*Important Note\*** If the school you are applying to has a transcript fee, cancel your request for that particular school, then print out & bring in any forms for that school to the Counseling Office so that our secretary can send your transcript free of charge.

## Playing College Sports

- If you plan to play Division I or II college sports, you should have already registered with the NCAA Clearinghouse. If not, you will need to do so. Go to [www.ncaa.org/student-athletes/future](http://www.ncaa.org/student-athletes/future) for more information and/or to register. You will also want to talk with your high school counselor.
- The NCAA Clearinghouse will also need your SAT scores. If you did NOT list NCAA as one of the schools to receive your SAT scores when you took the April SAT, you will need to contact SAT and request that your scores be sent to the NCAA Clearinghouse. ([www.collegeboard.org](http://www.collegeboard.org))
- You may also want to download the "Guide for the College-Bound Student Athlete" from the NCAA website.
